To The Trade:

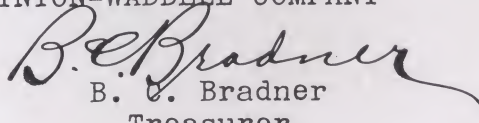

This catalogue of Plain, Turned and Embossed Rosettes is intended to show the wide selection of patterns we are able to furnish at the present time.

Customers having purchased Rosettes from us in the past are fully conversant with the high quality we produce. Sizes can be specified in 1/4" variations from 3/4" to 4" diameters.

Rosettes are manufactured in all cabinet woods. Be sure to specify the wood wanted, and also please order at least 5000 of a size and kind, as our prices are predicated on furnishing at least this minimum quantity.

Our production has been increased to a marked degree and we are in a position at this time to solicit your inquiries and orders.

Yours very truly,
BOYNTON-WADDELL COMPANY
